

eVIDEO

Through the use of the web, print, video and audio, eWeek reaches the key audience of technology decision makers and provides information tailored to take advantage of those many platforms. eWEEK has developed the eVideo, online tutorial based information to further help the eWEEK community understand and deploy technology initiatives.

The screenshot shows the eWEEK.com website interface. At the top, there are navigation tabs for NEWS, EVENTS, OPINIONS, CASE STUDIES, TOPICS, INDUSTRIES, and BUYER'S GUIDE. Below this is a search bar and a user account link. The main content area features a 'TOP STORIES' section with a headline 'Black Hat Demonstrations Shatter Hardware Hacking Myths'. A large 'eVIDEO' player is prominently displayed, showing a video titled 'Rootkit Basics' by Cameron Sturdevant. To the right of the video player are sections for 'RELATED ARTICLES', 'MOST RECENT VIDEOS', and 'eVIDEO ARCHIVE'. The bottom of the page includes a 'SPONSORED CONTENT' section with articles like 'Microsoft's Virtual PC 2007 Is a Good (and Free) Virtualization Option for Windows Users' and 'Xerox Releases 7 New SMB Products'. There is also a 'TOPICS IN DEPTH' section.
